The following were welcomed into Honorary Membership:

Albert Willman

Albert is a once in a lifetime guy. You can find him doing any number of activities at the school. from playing dodgeball in a tutu to fulfill a promise, to watching a class for someone who had to deal with livestock issues. he is a jokester and loves to set up secret cameras to tease anyone and everyone. you will always find him stirring up one prank or another. then when he's questioned about it, he jumps into his second language, sarcasm. he is also the most helpful, kind person that you will ever meet. he is always ready to help the students with whatever computer issues they are having. he loves the kids and his job. Albert is a true friend and a good example to everyone around him! His work to benefit our Ag Program and FFA Chapter is astounding. For this we award him the Honorary Degree.

Amber Hulse

Whether she's organizing college field trips for the school, or cheering for our team at every game, you always know that Amber is helping Mackay's students in any way possible. With a constant sense of humor and an amazing dedication, you can always count on her to do a great job at helping our students. She ensured that everyone's schedule fit together, and kept a close eye on the

IDLA class, two difficult jobs that she did with a great passion. While she may no longer be working for the school, we would like to commemorate the time she spent here, and the effort she put into her job, by giving her the Honorary Degree. Amber Hulse, thank you so much for your time here at Mackay High School, both as a staff member and as a friend.

The following scholarships were announced:

Austyn Wasylow received 1000 dollars through the Riverence Scholarship.

Kaydence Seefried received 500 dollars from the Kolton Kimball Scholarship.
